Dear Parents / Carers

### **Information, Advice and Guidance Programme: An invitation Thursday 11th October 2018 at 6.00pm in the Sixth Form Centre**

Welcome back to the new school year. Though Year 10 and Year 12 may seem a long way off, we understand the importance of making the right choices for your child's education in the years to come. Year 9 is especially important as you will be making choices about which subjects your child will be studying at GCSE level. In light of this, we would like to invite you to a short presentation about our provision in Key Stage 4 and Key Stage 5. This is as part of our commitment to offering advice and guidance to our students. The intention of the presentation is to help both you and your child to start to focus on the 'next steps' after Key Stage 3.

The meeting will last about an hour and will also highlight future career pathways. We have guest speakers from a range of organisations, including our Sixth Form Centre.

I hope to see you there, but in the meantime if you have any queries, please do not hesitate to contact me.

Would you please let us know if you are intending to come to this event by clicking on the link with this message then completing and submitting the form by Monday 1st October 2018.

Yours faithfully,

Mrs Hannan  
Year 9 Tutor Team Leader
