Dear Parent/Carer and Student

We take great pleasure in inviting you to the **Year 11 Parents' Information Evening** followed by their **Sixth Form Open Evening**. These events will take place on Thursday, 22nd November 2018. All Year 11 students and their parents are invited to the Information Evening where vital information about exams, revision skills and key dates will be presented and a summary document distributed.

The Parents' Information Evening takes place at 5.30 pm followed by the Sixth Form Open Evening at 6.00 pm. This starts with a presentation in the Main School Hall, given by Mrs S Kar, Director of Learning for Sixth Form and senior members of staff. After the presentation you will then have the opportunity to visit the individual subject areas that interest you. You will be provided with a programme on the evening which will indicate where the information stands are located. The evening will close at 8.00 pm.

Choosing the subjects to study at Sixth Form level is one of the most important decisions your son/daughter will ever make. This event will hopefully provide the necessary information to help in making that decision. Information will be given on the courses we offer, together with details about life as a student at St Benedict's.

Our advice is to be open-minded and visit a wide selection of departmental stands. Decisions regarding course choice will be made later in the term following your son/daughter's consultation with a member of the Sixth Form team. After the Open Evening, if you would like your son/daughter to apply to our Sixth Form, they must complete an electronic application form which can be found on the school website, and email a supporting letter to sixthformapplications@st-benedicts.cumbria.sch.uk we would be grateful if applications could be submitted by **Friday 14th December 2018**.

We look forward to meeting you and feel certain that this event will not only be enjoyable but also assist you all in the decision making process.

Yours sincerely

S Kar
Director of Learning for Sixth Form
