

When have we studied CHANGE AND CONTINUITY in History?

Year 7: Religious changes under the Tudors.

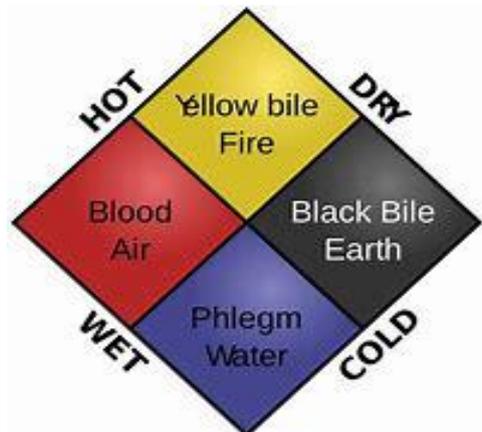

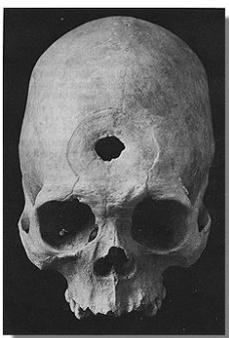

Year 8: Changes between 1750 and 1900.

Year 9: The impact of the Nazis on lives in Germany: did people's lives get better or worse?

Year 9: The development of medicine in the Ancient World.

Change and continuity top tip: Think of themes such as the role of women and religion; think about the pace of the changes – were the changes quick or slow?; think about the impact of the changes on different groups of people – positive or negative change?
