

When have we studied SIGNIFICANCE in our History lessons?

Year 7: Transition ILO where we chose to explain the significance of a person or event that we had studied at Primary School.

Year 8: The work of reformers such as Titus Salt and Robert Owen.

Year 8: The significance of events and individuals from the 20th century.

Year 8: The significance and impact of WWI on medicine and healthcare.

Year 9: The significance of an individual from the Health and the People topic.

Significance top tip: Use the GREAT acronym (Ground-breaking – Remembered – Effects that are far-reaching – Affected the future – Terrifying or creating strong emotions).
