EMMA JACKSON

26<sup>th</sup> January 2023

Dear Parents and Carers

As you may be aware, teachers in the National Education Union (NEU) have voted to take strike action on several days this term. The first of these dates is Wednesday, 1<sup>st</sup> February, with further strikes planned for the 28<sup>th</sup> of February and the 15<sup>th</sup> and 16<sup>th</sup> of March. The following information is relating to the 1<sup>st</sup> of February only, arrangements for the later dates will be shared in due course.

Approximately 75% of our teaching staff are members of the NEU, and as such are expected to take part in the strike action. As you will understand the safety and wellbeing of our students is our main priority, and we have had to consider the potential impact on our ability to safely supervise and care for our students without the presence of a significant proportion of the school staff. With this in mind we have carried out a risk assessment and made the following decisions:

1. We are unable to operate the school as normal on the 1<sup>st</sup> of February.
2. School will be **open** for students in Years 12 and 13 **ONLY**
3. School will be **closed** for students in Years 7, 8, 9, 10 and 11.

Students in Years 7, 8, 9, 10 and 11

Teachers who are not taking strike action will deliver remote lessons on teams for each of the classes they normally teach in line with the normal school timetable. Students should check Teams at the start of each period to check if their lesson is live and to access the lesson.

If a student would have been taught by a teacher who is taking strike action, they will not receive work for the lesson that day. For those lessons there are some resources that they can access from home to have a productive day. These include:

1. Homework available on TEAMS or via Edulink
2. Use their exercise books and other resources to review and recap.
3. Access online packages such as Dr Frost maths or Kerboodle.
4. Engage with online lessons from Oak Academy, linked to aspects of their learning. [Oak National Academy Online Classroom \(thenational.academy\)](https://www.oak-academy.com/)
5. Use BBC Bitesize [Secondary Homework Help | Online subjects - BBC Bitesize](https://www.bbc.com/learningzone)

Information about our school curriculum is available via our website.

Students in Year 12 and 13

Students in the Sixth Form should attend school as normal. Teachers who are not taking strike action will teach their normal lessons, in their normal classrooms. Where students have a lesson and the teacher is not in; students will be able to use the classroom, sixth form study area or school library to study and revise independently.

Please note there will be no live lessons on TEAMS for sixth form students.

A Registered Charity

Arrangements for students attending school.

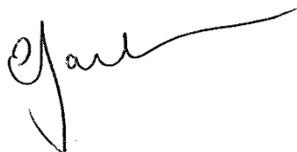

School transport providers will be informed that some students (sixth form) will be attending school and therefore transport should run as normal. Sixth form students should sign in using the sign in screen in Reception between 8.40 and 8.55 and attend period one as normal. Lunches will be available, but this will be a slightly reduced service.

Free school meals

For students in receipt of free school meals in Years 7 to 11, a voucher will be issued for that day in the same way as school holiday vouchers. Please note this may arrive after Feb 1<sup>st</sup>.

I would like to thank you in advance for your understanding at this time. I do understand that this can be inconvenient. The decisions have been taken to ensure all our students are safe and that we can provide some education during the strike. I will inform you of the arrangements for future strike dates as soon as possible.

Yours faithfully

Emma Jackson  
Head Teacher
