Dear Parents and Carers

School Term Dates 2023/ 2024

I am writing to advise you of a change to the school's published term dates for the academic year 2023/ 2024. A copy of our new term dates is attached to this letter for your information and you will see that there is a change to the dates of the INSET days previously published. For both our parents and carers and our students, this means that the Autumn Term 2023 will begin on Thursday, 7th September 2023 (one day later than previously) and the Summer Term 2024 will begin on Monday, 15th April 2024 (one day earlier than previously).

As we have done in preceding years, it is our intention to have a staggered start to the academic year. Students in Years 7, 10 and 12 only will return on Thursday, 7th September 2023 with students in Years 8, 9, 11 and 13 joining them on Friday, 8th September 2023 (all students in school on Friday, 8th September). Full information around our return to school following the summer break will be included in my end of term letter in July. In the meantime, may I take this opportunity to ask you to please be mindful of these new term dates when you are booking your holidays.

Thank you all for your continued support.

Yours faithfully

Emma Jackson
