We want your child to thrive

WELCOME TO OUR SCHOOL

Welcome to the St Benedict's Catholic High School prospectus. St Benedict's is a happy, thriving, over-subscribed school serving the Parishes of St Begh's and St Benedict's, Whitehaven, St Joseph's Frizington, St Mary's, Kells, St Mary's, Egremont and St Mary's, Cleator. In January 2019, the school co-located with Mayfield Special School to Campus Whitehaven, a £33m investment in the local area.

I attended St Benedict's Catholic High School as a pupil and chose to send my children here. I am now extremely proud and honoured to be the Headteacher.

As a Catholic School, Christ is at the centre of everything we do. Our values, including dignity, humility, diligence, truthfulness, stewardship, and forgiveness are rooted in our Catholic faith. We also recognise that our pupils need to develop resilience, responsibility, flexibility, and a willingness to operate as part of a team.

We pride ourselves on making a big difference to young people's lives. Everything we do, we do with our pupils at the heart of it. Our mission is simple; to ensure that every one of our pupils leaves us equipped with the necessary skills, qualifications, and mind-set to take the next steps in leading a deeply rewarding life. We endeavour to nurture the caring, trusting, and positive relationships between pupils, staff, parents and carers and we make a promise to all pupils that they will be safe and happy here.

We welcome visitors at any time, but an appointment helps to ensure your time is spent well. If you are interested in coming and having a look around, please contact the school.

Emma Jackson
Head Teacher

We want your child to feel safe

OUR CATHOLIC LIFE

Our Motto – “Through Love of Christ, delight in Virtue.”

Our Mission – At St Benedict’s Catholic High School, we are a community of faith and learning rooted in Gospel teachings and inspired by the Charism of St Benedict. Our virtues and values are entrenched in the wisdom gifted to us through the Rule of St Benedict and these permeate every aspect of our school life. Through our love of Christ, we serve our community and through that service we create global citizens who strive not only for academic excellence, but for a fulfilled life guided by Christ and Virtue.

Our Virtues

Our love of Christ leads us to a life of Virtue, and we truly believe that Virtue and Christ are synonymous with one another, and we embed this ideology into every aspect of our learning at St Benedict’s Catholic High School. Our virtues have been specifically chosen with the modern world in mind but also inspired by our school’s original motto ‘Through knowledge to Truth and Beauty’. The purpose of our virtues are to gently guide our students into a life of virtue and to give them the opportunity to view the world through the eyes of Christ. To strive for ‘Truth’ and ‘Beauty’ through the gift of knowledge. Our virtues are:

Stewardship

“Regard all utensils as if they were the sacred vessels of the altar” (Rule 31)

Humility

“Let him be humble” (Rule 31)

Truthful Living

“Through this love, all . . . will now begin to be observed without effort, as though naturally, for habit, . . . out of love for Christ, good habit, and delight in virtue.” (Rule 7)

Diligence

“They live by the labour of their hands” (Rule 48)

Dignity

“No one is to pursue what is judged best for oneself, but instead, what is better for someone else.” (Rule 72)

Forgiveness

“Listen...with the ear of your heart”
(Rule Book Prologue)

Our school’s ethos is based on Christian principles and Christian ideals but we welcome children from all faiths and traditions and those from none.

We want your child to make friends

SCHOOL LIFE

The school day starts at 8:40am, where Heads of Year and Learning Mentors will meet and greet each member of their year group with a smile and welcome them into the building. They will go to their tutor room, where they will begin their day with registration, messages and a prayer.

After tutor time, your child will begin the first of 6 x 55 minute lessons (Monday to Wednesday) and 5 x 55 lessons on Thursday and Friday. There will be two breaks, one which lasts 15 minutes and then a longer lunchtime break.

At lunch and after school there are a range of clubs and societies that pupils can engage in.

LEARNING SUPPORT

Our Learning Support Department work with pupils who need additional support. This support may take the form of physical, academic, social or emotional support.

Teachers design their lessons to be fully inclusive of all the needs of the pupils in front of them. The team in the Learning Support Department provide another layer of support to help all our pupils fully engage in their school life. This ensures that no pupil is left behind in their learning experience.

The support offered is wide and can include reading, writing, numeracy, visual, communication, self esteem, self - confidence, behaviour, learning and visual impairment. Learning resources are adapted and material is structured to enable pupils to thrive in their learning.

We want your child to be happy

OUR CURRICULUM

Our curriculum is designed to take students from the secure close-knit feel of good primary schooling to high levels of independent learning. We always have high aspirations for all our students, support them to progress during their time at St Benedict's, and encourage them to achieve the best that they are able to. We regularly review and refine our curriculum so that it meets the personal needs and interests of all our students, supporting and challenging each individual. Student progress is tracked across all years with regular reports sent home to provide information to parents and carers.

For any student who may not be reaching their full progression potential, we implement a series of interventions to ensure that students achieve their best. We believe that learning should be interesting and enjoyable. While we support students to develop their knowledge and skills, we encourage them to ask questions, develop their understanding and build confidence in their own abilities. We provide our students with a wide range of opportunities for them to develop, both during their time at school, and also externally. The values and virtues of the Roman Catholic Church are at the heart of everything we do at St Benedict's. We promote care and respect for all and expect high standards in all aspects of school life.

Our curriculum is designed to meet the needs of our young people, preparing them for adult and working life in the 21st century. It also enables them to be the best they can be by providing a secure learning environment, a rigorous academic and vocational curriculum, high expectations and best practice in teaching and learning, enhanced by wide-ranging extra-curricular opportunities and excellent pastoral care.

We want your child to contribute to the world around them

CHARACTER DEVELOPMENT

We aim to educate our young people by providing them with a wealth of opportunities, both inside the classroom and beyond the classroom. Our goal is to enable all our students to develop a strong moral code so that they are able to take their place as active citizens, ready to contribute positively to their communities and the wider world around them. We aim to ensure that our students develop into virtuous, confident, and compassionate young adults, who are effective contributors to society, successful learners, and responsible citizens.

We encourage our students to develop a commitment to serving others, to participate in a wide range of activities (both in and outside school), to develop the ability to lead others and, of course, the skills to effectively learn.

We aim to develop Character through a variety of approaches including:

- Our school virtues
- An ambitious curriculum for all.
- PSHE and HRSE
- Assemblies
- Chaplaincy
- The St Benedict's School Challenges for KS3
- A co – curriculum which includes a wide range of activities including artistic, creative, performance, sporting, debating, challenge, team and individual etc. so all pupils can both discover new interests and develop existing ones

We want your child to learn right from wrong

RELATIONSHIPS

Learning can only take place when there is a strong professional relationship between the teacher and the pupil.

Everything we do here at St Benedict's is geared towards pupils learning right from wrong and taking responsibility for their actions.

We instil into our pupils three key phrases: Be **READY**, Be **RESPECTFUL**, Be **SAFE**.

These three phrases are the cornerstone of our school code of conduct.

As a parent you will recognise that being ready to learn, being respectful to peers and keeping yourself safe as the elements of a successful learning experience.

PRAISE

When a pupil does something wrong, there is a consequence of restorative justice. When a pupil follows the rules and tries their best they will receive a reward.

Our rewards system is based on attaining achievement points. The more achievement points gained the more rewards that will be given. Our rewards system is based around our virtues medal (see opposite).

Demonstrating humility, dignity, truthfulness, diligence, forgiveness, stewardship are all the key ingredients of being a good human being and when we see these skills we will promote and reward our pupils.

We want your child to be prepared for life

THE TRANSITION PROGRAMME

The transition programme begins early in Year 6. The transition from Primary to Secondary school is a significant educational step for our young people, it is both exciting and daunting in equal measures. This is why at St Benedict's we have a dedicated 'Transition Manager' who leads an experienced team of staff to ensure families are supported throughout the whole admissions process. Our aim is to ensure parents are informed and students are optimistic and excited about becoming part of our St Benedict's community.

We have an extensive transition programme which commences in the summer term of Year 5 and offers families continued support until students are fully integrated into the care of our excellent Year 7 Pastoral team in September.

If you have any questions or require any more information please do not hesitate to contact us on the dedicated email address below:

We want your child to make the most their education

OUR FACILITIES

In January 2019 we moved to our new £33m school, which was individually designed (not an 'off-the-shelf' model!) and we have state of the art facilities including a full size, floodlit 4G astroturf pitch, sportshall, activity studio, pool, new grass pitches and tennis courts.
