

GCSE History Paper Two

Elizabethan England Exam Questions

1. Interpretation question (8 marks = 10 minutes)

e.g. How convincing is Interpretation A about...

Hint: DO NOT USE PROVENANCE! Select aspects of the interpretation you can support and/or challenge using your subject knowledge.

2. Importance question (8 marks = 10 minutes)

e.g. Explain what was important about...

Hint: One reason for importance per paragraph with supporting detail. Multiple paragraphs needed.

3. Write an account question (8 marks = 10 minutes)

e.g. Write an account of...

Hint: Include plenty of subject knowledge and organise your ideas into separate paragraphs.

4. Site question (16 marks = 20 minutes)

e.g. "Statement" plus question. The statement is likely to focus on the functions and features of your nominated site so make sure you revise these!

Hint: One idea per paragraph with examples from your nominated site leading to a conclusion.

Interpretation Question

Interpretation A

Marriage and motherhood would deprive her temporarily - perhaps permanently - of the authority and power to rule. To share power she would hate. To renounce it she would find it intolerable.

J. Hurstfield, *Elizabeth and the Unity of England*, 1960.

How convincing is **Interpretation A** about Elizabeth's reasons not to marry? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Elizabeth's experience was very limited. Her life had been led almost exclusively in the seclusion of country houses, with only an occasional short visit to Court.

W. McCaffrey, Elizabeth I, 1993.

How convincing is **Interpretation A** about Elizabeth's early life? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

How convincing is **Interpretation A** about Elizabethan theatre? Explain your answer based on your contextual knowledge and what it shows in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

The Tudor poor law was more impressive on paper than in fact. Careful study of parish accounts for Elizabeth's reign has shown that a poor rate was levied only in times of dire emergency...It was private charity that bore almost the entire burden of poor relief right down to 1660...It has been estimated that down to 1660 only 7% of the money devoted to poor relief was raised by taxation.

Sinclair Atkins, *England and Wales under the Tudors*, 1975.

How convincing is **Interpretation A** about the success of the Elizabethan Poor Law? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Drake provided in his person a hero-figure upon which public imagination could focus. His remarkable achievement of 1577-1580 had little practical effect apart from the immediate gain of treasure, but it did more than any other venture to publicise and stimulate English oceanic endeavour.

K. R. Andrews, *Drake's Voyages*, 1967.

How convincing is **Interpretation A** about the impact that Francis Drake had on Elizabethan England? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

A drawing of the performance of a play in an Elizabethan theatre.

How convincing is **Interpretation A** about Elizabethan theatre? Explain your answer based on your contextual knowledge and what it shows in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

With incomparable skill Owen knew how to conduct priests to a place of safety along subterranean passages, to hide them between walls and bury them in impenetrable recesses, and to entangle them in labyrinths and a thousand windings. But what was much more difficult of accomplishment, he so disguised the entrances to these as to make them most unlike what they really were.

Allan Fea, *Secret Chambers and Hiding Places*, 1908.

How convincing is **Interpretation A** about how English Catholics opposed Elizabeth's religious settlement? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

Interpretation Question

Interpretation A

How convincing is **Interpretation A** about the reasons for the defeat of the Spanish Armada? Explain your answer based on your contextual knowledge and what it shows in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it shows/does not show...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Elizabeth adopted a tone of condescending superiority towards her Parliaments, confident that if she explained things often enough and slowly enough, the little boys would understand. For Elizabeth, parliamentarians were little boys - sometimes unruly and usually a nuisance, and always a waste of an intelligent woman's time. Queen Elizabeth did not like Parliaments and it showed.

Christopher Haigh, 1988.

How convincing is **Interpretation A** about Elizabeth's relationship with Parliament? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Who was the queen's husband to be, and what power was he to have over the government of the country? If he were a foreigner there was no knowing what power he might get over the queen, power which he would very likely use for the good of a foreign country, and not for the good of England. On the other hand, if he were an Englishman, he must be chosen from among the queen's subjects, and then it was certain that there would be jealousy and strife among all the great nobles in the country when they saw one of their number picked out and made king over them.

Hugh Oakeley Arnold-Foster, *A History of England*, 1898.

How convincing is **Interpretation A** about the reasons why Elizabeth did not get married? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

These people who watched with joy the cruel torment of a bear or the execution of a Catholic also delighted in the romantic comedies of Shakespeare. These people were so appallingly gullible and ignorant, so brutal and childish compared with Englishmen of today, yet they set the standard of national greatness.

The Facts about Shakespeare, 1913.

How convincing is **Interpretation A** about the Elizabethan theatre? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Unemployment was a major cause of poverty. When large landowners changed from arable to sheep farming, unemployment increased rapidly. The closing down of the monasteries in the 1530s created even more unemployment. As monasteries had also helped provide food for the poor, this created further problems. Unemployed people were sometimes tempted to leave their villages to look for work. This was illegal and people who did this were classified as vagabonds.

Spartacus Educational.

How convincing is **Interpretation A** about the causes of poverty in Elizabethan England? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

There were other plots against Elizabeth's life in later years. However the revelations of the Ridolfi conspiracy coming so soon after the Northern Rebellion, alarmed her most. That her own cousin, the Duke of Norfolk, should have plotted her downfall was the cruellest blow she had yet suffered.

Neville Williams, *The Life and Times of Elizabeth I*, 1972.

How convincing is **Interpretation A** about the threats to Queen Elizabeth I? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A second way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

A final way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

A serious criticism of Elizabeth was her failure to settle the succession. Despite pressure from her Council and marriage negotiations with several suitors, all were rejected. Her death before 1587 would probably have led to civil war. It seems unlikely that she had a deep-seated personal dislike of marriage but choosing a husband was difficult. Some suitors, like Leicester, were unacceptable to many councillors. The Catholic religion of suitors, such as Anjou, ruled them out. Elizabeth was lucky that she lived long enough for the problem to solve itself.

Adapted from an article by Penry Williams, in 'History Review', 1998.

How convincing is **Interpretation A** about Queen Elizabeth and marriage? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

One way in which Interpretation A is convincing/unconvincing is because it says/does not say...

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Was the real and secret purpose of Drake's voyage to raid the wealth of Spain as an authorised privateer, or was he sent to discover new lands and set up British colonies in the New World? Was it simply a trading voyage with the aim of finding a new and profitable route to the spices of the East and done in secret to protect any commercial gains? Probably there was a mixture of motives, with much left to chance.

Adapted from an article by David Cressy, in 'History Today', 1981.

How convincing is **Interpretation A** about the motives for Drake's round the world voyage? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

Interpretation Question

Interpretation A

The Court was a home for monarch and courtiers, the centre of government and a place to show off. It was a market place for patronage, combining formal ceremony with a scramble for status, influence and profit. It was also a place of culture and entertainment. For Elizabeth, the Court was where she was on display, distributed patronage and kept contact with the great families of the kingdom. For most of her reign Elizabeth skilfully handled the competing noble groups while carrying out her policy and government. Tensions, however, became more obvious later on when royal control was challenged.

Adapted from an article by Penry Williams, in 'History Review', 1998.

How convincing is **Interpretation A** about the Elizabethan court? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

From my own subject knowledge, ...

Interpretation Question

Interpretation A

Essex soon charmed the elderly Queen when he arrived at Elizabeth's court in his early twenties. He was tall, handsome and generous, but also arrogant and reckless. He showed daring but little judgement on military expeditions. Elizabeth gave him titles and a monopoly which made him wealthy but Essex was vain and jealous which made him easily offended and unwilling to be ruled by a woman. He failed in Ireland, which he blamed on enemies at Court. He then ignored Elizabeth's orders by returning to England where he plotted to seize the Queen and take control of the government.

Adapted from an article by Richard Cavendish in 'History Today', 2001.

How convincing is Interpretation A about the Earl of Essex? Explain your answer based on your contextual knowledge and what it says in **Interpretation A**.

Interpretation Question

Interpretation A

During Queen Elizabeth's reign there was revolutionary change in the theatre and an enormous growth in audiences. New theatres were built although some Puritans objected, and the City authorities tried to restrict playhouses. The theatre had Queen Elizabeth's approval. All sorts of people watched plays which entertained and educated. Above all, Elizabethan playwrights made people think about their changing world and what it meant to be human.

An interpretation of the theatre in Elizabethan England. Adapted from 'The Time Traveller's Guide to Elizabethan England' by Ian Mortimer, 2012.

Interpretation Question

Interpretation A

By the 1590s Elizabeth was unable to control the competition between Robert Cecil and the Earl of Essex. Despite Essex's popularity and military reputation, Elizabeth's patronage increasingly favoured Cecil and his followers. This frustrated Essex and his supporters at court who had lost out. As the intense relationship between the Queen and Essex worsened, the Earl was forced into desperate action. He tried to smash his way to political power, but it was a disaster.

An interpretation about Essex's rebellion. Adapted from, 'Elizabeth I - Profiles in Power', by C Haigh, 1998.
